3" Locking Casters

2-Tone Paint Available

PUSH CART

OVERVIEW

This book cart is the perfect addition to any classroom. The large 3" diameter locking casters roll smoothly across any surface for maximum portability. The 3 tiers of shelving with a total weight capacity of 400lbs is ready for anything. All push carts are 42"H x 36"W and 18" Deep. They can be configured with multiple combinations of shelving types.

With a variety of shelving and storage options you can design the perfect cart for your space from slanted shelves to bin storage or any other combination you can create.

****MPC-423618-222**

MATERIALS

The end panels are made of 18-gauge cold rolled steel square tubing welded flush to 20-gauge end panels. Each piece is powder coated for maximum durability. The push cart can be knocked down for cost effective shipping, or shipped fully assembled. Minimal assembly required on site with knockdown option, hardware and driver bit provided.

**** Available colors:**

Ink Black, Summer Green, Engine Red, Royal Purple, Sky Blue, Tiger Orange, Petal White, Bankers Gray, Model Gray
