BUILT FOR CARE.

EDUCATION

AMS
WHERE LEARNING GETS REAL.

BUILT AROUND HEALTH SCIENCES EDUCATION.

AMS creates flexible, durable Health Sciences learning environments designed for simulation, clinical skills training and hands-on learning—helping students gain experience and prepare for real-world careers.

13.08%

Of all high school CTE concentrators nationwide were in Health Science programs during 2023–24.

U.S. DOE, Perkins V (2023–24)
